

TAKOI

Takoi Information And Special Events Guide

Location - Takoii Restaurant is located on the bustling Michigan Avenue corridor in historic Corktown. It's situated at the corner of 17th street and Michigan Avenue, directly across the street from the iconic Michigan Central Station and just under two miles due west of downtown Detroit's beloved Campus Martius Park. It also lies at the crossroads of historic Corktown and Southwest Detroit.

Concept - Takoii began as a food truck in 2014 and established a permanent location in 2016. Takoii is known for regional Thai cuisine complimented with Michigan seasonality. It operates HiO Farm in nearby Core City located just two miles north of the restaurant. During the height of farm season, Takoii highlights dishes using HiO Farm produce prepared with the flavors of the Thai pantry.

Awards – Our restaurant was awarded the Detroit Free Press “Best New Restaurant of the Year” in 2016 and also nominated as a James Beard semifinalist for “Best New Restaurant in 2017”. Since its arrival, Takoi has grown into a leading destination in the Detroit dining scene and has helped to encourage the growth of the city’s resurging hospitality industry.

Offerings – Takoi is a dine-in restaurant that serves dinner five days a week, Tuesday through Saturday. The restaurant boasts a seasonal outdoor patio with additional space for dining and drinking. The patio also hosts live deejay events when activated. Other restaurant options include drop-off and on-site catering as well as restaurant buyout rental for special events.

Buyout Info - We offer a full restaurant buyout option for a range of events, including rehearsal dinners, wedding receptions, holiday parties, and corporate events. Options include buffet-style or coursed family-style dining. Packages are customizable outside of our standard offering for both food and beverage. Please note that requests for the patio are weather-dependent.

Contract Details - All buyout events are subject to terms of agreement. We require a 20% deposit for all scheduled events. All balances are due in-full on the day of the event.
